* Greetings

Welcome to the first Asia-Pacific Stevie® Awards. We are so pleased that you are able to join us on this historic occasion as we celebrate and present the very first Grand, Gold, Silver, and Bronze Stevie Awards in this new competition.

The Asia-Pacific Stevie Awards are open to all organizations operating in the 22 nations of the Asia-Pacific region. We started this competition because we believe that this fast-growing region deserves a Stevie Awards competition of its own.

If this is your first experience with the Stevie Awards, they are widely considered to be the world's premier business awards. They were created in 2002 to honor and generate public recognition of the achievements and positive contributions of organizations and working professionals worldwide. In short order the Stevie has become one of the world's most coveted prizes.

There are six Stevie Awards programs, each with its own focus, list of categories, and schedule.

I invite you to learn about them at www.StevieAwards.com. Our other programs include:

[The American Business Awards](#) are open to all organizations operating in the U.S.A., and feature a wide variety of categories to recognize achievement in every facet of the workplace.

[The International Business Awards](#) are open to all organizations worldwide, and include categories to honor accomplishments in all aspects of work life.

[The German Stevie Awards](#) are open to all organizations operating in Germany.

[The Stevie Awards for Sales & Customer Service](#) are open to all organizations worldwide, and recognize the achievements of sales, customer service, and call center professionals.

[The Stevie Awards for Women in Business](#) are open to all organizations worldwide, and recognize the achievements of women executives, entrepreneurs, and the organizations they run.

Stevie Award judges include many of the world's most respected executives, entrepreneurs, innovators, and business educators. Each of our awards programs harnesses the insights and talents of scores of judges every year.

Thank you again for coming this evening, and for participating in the first Asia-Pacific Stevie Awards.

Cordially,

Michael Gallagher
President, The Stevie Awards
